

Frequently Asked Questions:

1. **Medical Officer qualifications** – Must have first responder or EMT
2. **Medications** – Medical Officer logs everything in and puts in med box. He gets volunteers from each campsite to distribute meds. This helps free medical officer for emergencies.
3. **Refrigerated Medications** - These are kept at the health lodge in a locked refrigerator, the medical officer dispenses these.
4. **Buddy System** - Buddy checks are done at the pool about every 10 mins. Boys should go nowhere in camp without a buddy!
5. **Emergency siren** – A drill we **MUST** have the first **FULL** day you are in camp.
6. **Swim Test** – Boys and leaders/parents must keep their bathing suits out of luggage to take their swim test after check in.
7. **Leader Meeting** – Will be held at Camp Mack, check website for time and date.
8. **Homesickness** – We have qualified staff to work with the scout along with the leaders help. We might call home to get a suggestions from parents if need be. **PLEASE** never let a Cub call home- it makes it worse!!
