

Camporama

"Can Cubbies Do It in 60 Seconds"

October 14-16

J. Edward Mack Scout Reservation

Cub Scouts will participate in stations such as BB, Archery, flag etiquette, games of skill, and may even earn a belt loop. The skill stations will begin at 9:00 a.m. Saturday and end at 2:20 p.m. In the afternoon, Cubs may work on pack projects or participate in optional activities. In the evening, there will be a worship service and a campfire.

Packs are invited to camp for the weekend. This is an excellent way for Cubs to begin to learn about spending time in the outdoors while enjoying activities they will encounter throughout their scout careers.

Webelos scouts will participate in a separate set of events specifically intended to help them prepare for Boy Scouts. This program will be run by a Boy Scout

The cost for all persons attending the Camporama is \$13 no matter how long you stay. (Includes three Saturday meals, Sunday breakfast and a patch.) All Scouts must be accompanied by an adult.

Scout Name: _____ Adult Name: _____
